## **10. Lesson learned, obiettivi**

Checkbook NYC è un'applicazione online sviluppata dalla città di New York per migliorare la trasparenza finanziaria del governo. Permette ai cittadini di accedere alle informazioni finanziarie dettagliate, come i pagamenti ai fornitori e i contratti governativi. Gli utenti possono cercare e filtrare i dati per comprendere come vengono spesi i fondi pubblici. L'app offre strumenti interattivi, come grafici e report, per visualizzare i dati finanziari in modo chiaro. L'obiettivo è promuovere la responsabilità finanziaria e coinvolgere i cittadini nel processo decisionale. Checkbook NYC favorisce una maggiore partecipazione informata dei cittadini e un migliore controllo delle spese pubbliche.

## **12. Note**

Una possibile critica potrebbe riguardare la completezza e l'aggiornamento dei dati forniti sulla piattaforma, potrebbe essere utile assicurarsi che tutte le informazioni finanziarie e di spesa siano tempestivamente aggiornate e facilmente accessibili per garantire una completa trasparenza del bilancio della città.

Alcune critiche potrebbero essere rivolte alla facilità d'uso della piattaforma. Sarebbe da semplificare l'interfaccia e migliorare l'usabilità in modo che i cittadini possano facilmente navigare attraverso i dati finanziari e comprendere le informazioni presentate.
